

# With a Girl Like You

## Danzig

I want to spend my life with a girl like you  
And do all the things that you want me toTill that time has come  
That we might live as one  
Can I dance with youI tell by the way you dress that you're so refined  
And by the way you talk that you're just my kindGirl why should it be  
That you don't notice me  
Can I dance with youBaby baby is there no chance  
I can take you for the last dance  
All night long yeah I've been waiting  
Now there'll be no hesitating  
So before this dance has reached the end  
To you across the floor my love I'll send  
I just hope and pray that I'll find a way to say  
Can I dance with you
