

Kids In Love (feat. Amanda Brigham)

Joe Bermudez

If we can't be together now
Then what's the point
They just need to realize
We're kids kids in love We are young at heart
We don't want to grow up
I can guarantee that absolutely positively
No one no one is having more fun than us I can't wait to see you
I can't wait to be with you
Wanna hold you tight
Holding you all night
I won't let go
Don't they know
I can't wait to see you
I can't wait to be with you
No one can stop us
Yeah we're invincible
We're just
We're just kids in love Being with you never gets old
And that's the point
They just need to realize
We're kids kids in love We are young at heart
We don't want to grow up
I can guarantee that absolutely positively
No one no one is having more fun than us
I can't wait to see you
I can't wait to be with you
Wanna hold you tight
Holding you all night
I won't let go
Don't they know I can't wait to see you
I can't wait to be with you
No one can stop us
Yeah we're invincible
We're just
We're just kids in love When I'm with you
There's nothing we can't do
I get so high when you're nearby
When I'm with you
There's nothing we can't do

A love they can't deny
No one no one is having more fun more fun
No one no one is having more fun than us I can't wait to see you
I can't wait to be with you
Wanna hold you tight
Holding you all night
I won't let go
Don't they know I can't wait to see you
I can't wait to be with you
No one can stop us
Yeah we're invincible
We're just
We're just kids in love
