What would I do without your smart mouth Drawing me in and you kicking me out Got my head spinning, no kidding I can't pin you down What's going on in that beautiful mind I'm on your magical mystery ride And I'm so dizzy, don't know what hit me But I'll be alright My head's under water But I'm breathing fine You're crazy and I'm out of my mind 'Cause all of me Loves all of you Love your curves and all your edges All your perfect imperfections Give your all to me I'll give my all to you You're my end and my beginning Even when I lose I'm winning 'Cause I give you all of me And you give me all of you oh How many times do I have to tell you Even when you're crying you're beautiful too The world is beating you down I'm around through every mood

You're my downfall, you're my muse My worst distraction, my rhythm and blues I can't stop singing It's ringing, in my head for you My head's under water But I'm breathing fine You're crazy and I'm out of my mind 'Cause all of me Loves all of you Love your curves and all your edges All your perfect imperfections Give your all to me I'll give my all to you You're my end and my beginning Even when I lose I'm winning 'Cause I give you all of me And you give me all of you Give me all of you Cards on the table, we're both showing hearts

Risking it all, though it's hard 'Cause all of me Loves all of you Love your curves and all your edges All your perfect imperfections Give your all to me I'll give my all to you You're my end and my beginning Even when I lose I'm winning 'Cause I give you all of me And you give me all of you I give you all of me And you give me all of you oh
