

# Spaz

## Chris Moss Acid

Hey, I'm a little teapot short and stout  
There's some shake-up'in around me know it's talk, and no doubt  
I pop the lid, the lid, it's gon' be me I gonna no doubt  
Nothing'll happen if I don't open my mouth  
I ain't a punk bitch, I don't give a fuck  
I'm just bein' me and speakin' from the gut  
Well it's a little bit of us, a whole lot of you  
And we just came here to see what it do  
I'm right here, and I ain't goin' nowhere  
You can turn tables and you can throw chairs  
I'm right here, and I ain't goin' nowhere  
You can knock doors and tear up, ya'have to air so  
Spaz if you want to, spaz if you want  
Spa-spaz if you want to, spaz if you want to  
Spaz if you want to, spaz if you want  
Spa-spaz if you want to, spaz if you want to  
I'm a little teapot blowin' off steam  
You put me on the heat, I don't whistle I scream  
Bang, bang, fuck a bed fuck a dream  
This is rage blowin' up your machine  
I'm a star bitch, I don't give a fuck  
Don't be surprised when this bitch start blowin' up  
Well its a little bit of us, a whole lot of you  
And we just came here to see what it do  
I'm right here, and I ain't goin' nowhere  
You can turn tables and you can throw chairs  
I'm right here, and I ain't goin' nowhere  
You can knock doors and tear up, ya'have to air so

Spaz if you want to, spaz if you want  
Spa-spaz if you want to, spaz if you want to  
Spaz if you want to, spaz if you want  
Spa-spaz if you want to, spaz if you want to  
And now I'm wakin' up layin' in the ambulance bed  
With somethin in my arm, I gotta get it off  
A tattoo with a line that'll read your mind  
And next is your mind, I gotta get it off  
The shit they spray, attack my lungs everyday  
With a creeping decay, I gotta get it off

By attacking these things, I earned my wings  
And my halo but first I gotta, get it off  
I'm right here, and I ain't goin' nowhere  
You can turn tables and you can throw chairs  
I'm right here, and I ain't goin' nowhere  
You can knock doors and tear up, ya'have to air so  
Spaz if you want to, spaz if you want  
Spa-spaz if you want to, spaz if you want to  
Spaz if you want to, spaz if you want  
Spa-spaz if you want to, spaz if you want to  
I'm right here, and I ain't goin' nowhere  
You can turn tables and you can throw chairs  
I'm right here, and I ain't goin' nowhere  
You can knock doors and tear up, ya'have to air so  
Spaz if you want to, spaz if you want  
Spa-spaz if you want to, spaz if you want to  
Spaz if you want to, spaz if you want  
Spa-spaz if you want to, spaz if you want to
