

# Female Of The Species (D'Still'D Remix Full Mix)

## Space

A thousand thundering thrills await me  
Facing insurmountable odds gratefully  
The female of the species is more deadly than the male Shock shock horror horror  
Shock shock horror  
I'll shout myself hoarse for your supernatural force  
The female of the species is more deadly than the male Oh she deals in witchcraft  
And one kiss and I'm zapped Oh how can heaven hold a place for me  
When a girl like you has cast a spell on me  
Oh how can heaven hold a place for me  
When a girl like you has cast a spell on me Frankenstein and Dracula have nothing on you  
Jekyll and Hyde join the back of the queue  
The female of the species is more deadly than the male Oh she wants to conquer the world completely  
But first she'll conquer me discreetly  
The female of the species is more deadly than the male Oh she deals in witchcraft  
And one kiss and I'm zapped Oh how can heaven hold a place for me  
When a girl like you has cast a spell on me  
Oh how can heaven hold a place for me  
When a girl like you has cast a spell on me Oh how can heaven hold a place for me  
When a girl like you has cast a spell on me  
Oh how can heaven hold a place for me  
When a girl like you has cast a spell on me
