Something To Talk About

Deon Kipping

I feel like a billboard
because the Lord has so many eyes on me
they speak of all my victories
and they speak of all my defeat
they know not what they do
cos if they knew, they'd know it was all you
yeah
God please keep them talking
until they know it's not me but it's your working
you may never understand my story
all things work together, so God can get the glory
I'm some'n to talk about
I'm some'n to talk about
yeah
I'm some'n to talk about
yes, I'm some'n to talk about
oh, yes I am
My life is a movie
and everyday I'm working on the addicts
the critics they judge me
until they watch the end and see who gives the credit
hey, they speak of me walking on water
cos they know my feet should've never left the harbour
whoa, no no no
my whole life has been on display
so they can talk about my God saving the day
you may never understand my story
all things work together so God will get the glory
I'm some'n to talk about
I'm some'n to talk about
yeah
I'm some'n to talk about
yes, I'm some'n to talk about
oh, yes I am
whoa...
