

Fix Me

10 Years

Fix Me

It's taken a lifetime to lose my way

A lifetime of yesterdays

All the wasted time on my hands

Turns to sand

And fades in the wind

Crossing lines

Small crimes

Taking back what is mine

I'm fine in the fire

I feed on the friction

I'm right where I should be

Don't try and fix me

I'm fine in the fire

I feed on the friction

I'm right where I should be

Don't try and fix me

So lost for so long

To find to my way

I failed to follow

I'm out of place

Crossing Lines

Small crimes

Taking back what is mine

I'm fine in the fire

I feed on the friction

I'm right where I should be

Don't try and fix me

I'm fine in the fire

I feed on the friction

I'm right where I should be

Don't try and fix me

I'm fine in the fire

I feed on the friction

I'm right I should be

Don't try and fix me

I'm fine in the fire

I feed on the friction

I?m right where I should be
Don?t try and fix me
I?m fine in the fire
I feed on the friction
I?m right where I should be
Don?t try and fix me
