

# Burn My Shadow (Gavin Harlihy Dub)

## UNKLE

I have burned my tomorrows  
And I stand inside today  
At the edge of the future  
And my dreams all fade away I have burned my tomorrows  
And I stand inside today  
At the edge of the future  
And my dreams all fade away And burn my shadow away  
And burn my shadow away Fate's my destroyer  
I was ambushed by a light  
And you judge me once for falling  
This wounded heart will rise And burn my shadow away  
And burn my shadow away When I see the light, true love forever  
When I see the light, true love forever  
When I see the light, true love forever  
When I see the light, true love forever When I see the light, true love forever  
(Burn my shadow)  
When I see the light, true love forever  
When I see the light, true love forever  
(Oh, burn my shadow away)  
When I see the light, true love forever And burn my shadow away  
And burn my shadow away  
Oh, how I loved you
