

Scooby Doo, Where Are You?

Third Eye Blind

Scooby Dooby Doo, where are you?
We got some work to do now
Scooby Dooby Doo, where are you?
We need some help from you now
Come on Scooby Doo
I see you, pretend you got a sliver
You're not fooling me
'Cause I can see the way you shake and shiver
You know you got a mystery to solve
And Scooby doo is ready for your act, don't hold back

And Scooby Doo, if you come through
You're gonna have yourself a Scooby snack
That's a fact
Scooby Dooby Doo, where are you?
You're ready and you're willing
We can count on you Scooby Doo
I know you'll catch the villain
