Responsible

Cloud Cult

If for just a moment, you had to be responsible
For all the things you've said and done.
Would you sit back and relax or fasten all your safety belts?
Everybody's judgement comes.Maybe in this moment you're feeling irresponsible
for all the things you've said and done.
"I am a wrecking ball, I've run the guillotine,
and I blame everything just to keep my hands clean."Maybe in this moment you need to be responsible
for all the things you've said and done.
