Kreator

Is there something after you
something after you
is there something after you
will it get you
can you feel the panic in you
feel the panic in you
can you feel the panic in you
will it break youparanoia
coming from within
taking over
symptoms of an everlastingphobiais there someone following you
someone following you
is there someone following you
are you dreaming
is someone taking your life from you
taking your life from you
is someone taking your life from you
are you dyingparanoia
coming from within
taking over
symptoms of an everlastingphobia
