Well...All Right

Albert Hammond, Jr.

Well all right, so I'm being foolish
Well all right, let people know
About the dreams and wishes you wish
In the night when lights are lowWell all right, well all right
We'll live and love with all our might
Well all right, well all right
Our lifetime, love, will be all rightWell all right, so I'm going steady
It's all right when people say
That those foolish kids can't be ready
For the love that comes their wayWell all right, well all right
Our lifetime, love, will be all right
Well all right, well all right
Our lifetime, love, will be all right
