

# Something About You

## Boston

When I was younger  
I thought I could stand on my own  
It wasn't easy  
I stood like a man made of stone, yeah, yeah But there was something about you  
(I want you to know)  
It brought a change over me  
(It's startin' to show)  
I've got this feelin' inside  
Gotta have ya, have ya, ain't no good to hide (It isn't easy to show)  
What I'm feeling inside, girl  
(It isn't easy, I know)  
When you believe in a man like me When I get angry  
I say things I don't wanna say  
I really mean it  
I don't want to leave you this way, yeah, yeah I couldn't help my reaction  
(I want you to know)  
I lose control over you  
(I just wantchu to know)  
Got this feeling inside  
Gotta have ya, have ya, ain't no good to hide (It isn't easy to show)  
What I'm feeling inside, girl  
(It isn't easy I know)  
When you believe in a man like me But there was something about you  
It brought a change over me  
I got this feelin' inside  
(Gotta have you, have you)  
Ain't no good to hide (It isn't easy to show)  
What I'm feeling inside, girl  
(It isn't easy, I know)  
To believe in a man like me, like me  
Can'tchu see, I gotta, gotta have you? Yeah, yeah, yeah But there was something about you  
(Yeah there was something about you)
