

# Downtown Song

## Anberlin

Hey uptown girl,  
Can you hear this downtown song'  
Wrote a couple of words to tell you  
Right here is where you belong. I watch you walk the streets,  
Wondering who you're thinking of.  
Hope you're looking for someone to hold  
And not at all in love. And I wonder if you can relate  
To nights upon my pillowcase  
Eyes wide open, middle of the night  
You're the last thing on my mind. Only the lonely know  
Only the lonely know  
Only the lonely know  
What nights like these do to me, yeah I keep asking myself  
If our hands were meant to be  
I know this town is busy,  
But I live on Public Street We can get out of here  
If only for just tonight  
Ride like some rolling stone  
That's forced to waste your life And I wonder if you can relate  
To nights upon my pillowcase  
Eyes wide open, middle of the night  
You're the last thing on my mind. Only the lonely know  
Only the lonely know  
Only the lonely know  
What nights like these do to me  
Only the lonely know  
Only the lonely know  
Only the lonely know  
What nights like these do to me When I'm under (when I'm under)  
Is it me you're thinking of'  
With this light (get on your knees)  
I pray you're not at all in love.  
With someone else (with someone new)  
With something other than me and you  
Just wanna be where you are (Just where you are)  
If ever you're lonely, I won't be far. Only the lonely know  
Only the lonely know Only the lonely know  
Only the lonely know  
Only the lonely know

What nights like these do to me, yeah  
Only the lonely know  
Only the lonely know  
Only the lonely know  
What nights like these do to me
