

Wild About My Lovin'

The Lovin' Spoonful

Well now, listen here people
IÂ'm 'bout to sing a song
IÂ'm goinÂ' to Saint Louis
And I wonÂ't be long
Cause IÂ'm wild about my lovinÂ'
I like to have my fun
If you want to be a girl of mine
You got to bring it with you
When you come

Well now, Sergeant Jones - Chief of Police
The women round here
WonÂ't let me see no peace
Cause IÂ'm wild about my lovinÂ'
I like to have my fun
If you want to be a girl of mine
You got to bring it with you
When you come

Hello Central, whatÂ's the matter with your line?
I wann talk to that
high-brow friend of mine
You hear me talkinÂ' to you
I donÂ't bite my tongue
If you wanna be a girl of mine
You got to bring it with you
When you come
