

Get the Party Started (Pink Noise Disco Mix)

Pink

I'm comin' up so you better get this party started
I'm comin' up so you better get this party startedGet this party started on a Saturday night
Everybody's waitin' for me to arrive
Sendin' out the message to all of my friends
We'll be lookin' flashy in my Mercedes BenzI got lots a style, got my
I can go for miles if you know what I meanI'm comin' up so you better get this party started
I'm comin' up so you better get this party startedPumpin' up the volume, breakin' down to the beat
Cruisin' through the west side, we'll be checkin' the scene
Boulevard is freakin' as I'm comin' up fast
I'll be burnin' rubber, you'll be kissin' my ass
Pull up to the bumper, get out of the car
License plate says "Stunner number one superstar"I'm comin' up so you better get this party started
I'm comin' up so you better get this party startedI'm comin' up so you better get this party started
I'm comin' up so you better get this party startedMakin' my connection as I enter the room
Everybody's chillin' as I set up the groove
Pumpin' up the volume with this brand new beat
Everybody's dancin' and they're dancin' for meI'm your operator you can call anytime
I'll be your connection to the party lineI'm comin' up so you better get this party started
I'm comin' up so you better get this party startedI'm comin' up so you better get this party started
I'm comin' up so you better get this party started

I'm comin' up so you better get this party startedI'm comin' up so you better get this party started
I'm comin' up so you better get this party startedI'm comin' up so you better get this party started
I'm comin' up so you better get this party startedI'm comin' up so you better get this party started
