Horror Show

The Birthday Massacre

They're getting ugly, they're a horror show
And now we're laughing because they'll never know
That they have everything, we give them all of our own
And they tell us they're sick and they're all aloneThey make fools of us together but we always think of them
All they're laughing and they're talking and they're wasting of our time
And it always hurts to see them now that everything is different
We don't like to see their eyes 'cause they will never look the sameThey shut the door, we fell far behind
We try forgiveness but they cross the line
And now the moment has passed and we can't rewind
We are dead long before, we run out of timeThey make fools of us together but we always think of them
All they're laughing and they're talking and they're wasting of our time
And it always hurts to see them now that everything is different
We don't like to see their eyes 'cause they will never look the sameThey make fools of us together but we always think of them
All they're laughing and they're talking and they're wasting of our time
And it always hurts to see them now that everything is different
We don't like to see their eyes 'cause they will never look the same
