

# Horror Show

## The Birthday Massacre

They're getting ugly, they're a horror show  
And now we're laughing because they'll never know  
That they have everything, we give them all of our own  
And they tell us they're sick and they're all alone They make fools of us together but we always think of them  
All they're laughing and they're talking and they're wasting of our time  
And it always hurts to see them now that everything is different  
We don't like to see their eyes 'cause they will never look the same They shut the door, we fell far behind  
We try forgiveness but they cross the line  
And now the moment has passed and we can't rewind  
We are dead long before, we run out of time They make fools of us together but we always think of them  
All they're laughing and they're talking and they're wasting of our time  
And it always hurts to see them now that everything is different  
We don't like to see their eyes 'cause they will never look the same They make fools of us together but we  
always think of them  
All they're laughing and they're talking and they're wasting of our time  
And it always hurts to see them now that everything is different  
We don't like to see their eyes 'cause they will never look the same
