

Don't You (Forget About Me)

Stella Starlight Trio

Hey, hey, hey ,hey
Watching ooh yeah
Won't you come see about me?
I'll be alone, dancing and you know it baby
Tell me your troubles and doubts
Giving me everything inside and out, out
Love's strange so real in the dark
Think of the tender things that we were working on
Slow change may pull us apart
I'll get us back together at heart, baby
Don't You Forget About Me
Don't Don't Don't Don't
Don't You Forget About Me
Will you stand above me?
Look my way and never love me
Rain keeps falling, rain keeps falling
Down, down, down
Would you recognise me?
Call my name or walk on by
Rain keeps falling, rain keeps falling
Down, down, down
Hey, hey, hey ,hey
Watching ooh yeah
Don't you try and pretend
It's my feeling we'll win in the end
I won't harm you or touch your defenses
Vanity and security
Don't you forget about me
I'll be alone, dancing and you know it baby
Going to take you apart
I'll put us back together at heart, baby
Don't You Forget About Me
Don't Don't Don't Don't
Don't You Forget About Me
As you walk on by
Will you call my name?
As you walk on by
Will you call my name?
As you walk on by

(As you walk on by)
Or will you walk on by?
Will you walk away?
Come on - call my name
Come on - call my name
Will you call my name?
I say
La la la
Will you walk on by?
Would you call my name?
As you walk on by
Would you call my name?
When you walk on by?
Oh yeah
Come on and call my name
As you walk on by
Hey baby call my name
When you walk on by
Would you call my name
Yeah, Yeah, Yeah
