

A Real Fine Place to Start

[Sara Evans](#)

I'm gonna do it darlin'
I could waste time tryin' to figure it out
I'm jumpin' in anyhow I've never been this far
Didn't know love could run so deep
Didn't know I'd lose this much sleep Holdin' you close, chasin' that moon
Spendin' all night, lovin' just who you are
Sparks flyin' in the dark Shootin' out lights, runnin' down dreams
Figurin' out what love really means
Baby, givin' you my heart
It's a real fine place to start Somethin' is goin' on
I can't explain but sure can touch
It's callin' both of us Stronger than any fear or doubt
It's changin' everything I see
It's changin' you, it's changin' me Holdin' you close, chasin' that moon
Spendin' all night, lovin' just who you are
Sparks flyin' in the dark Shootin' down lights, runnin' down dreams
Figurin' out what love really means
Baby, givin' you my heart
It's a real fine place to start Right here, right now's the perfect spot, the perfect time
The perfect moment when your skin is next to mine Yeah, yeah
Holdin' you close
(Holdin' you close)
Chasin' that moon
(Chasin' that moon)
Spendin' all night
Lovin' just who you are
Sparks flyin' in the dark Shootin' out lights
(Shootin' down lights)
Runnin' down dreams
(Runnin' down dreams)
Figurin' out just what love really means
Baby, givin' you my heart's a real fine place
Real fine place to start, oh yeah, oh
