Shallow Nation (2004 Version)

Icon of Coil

Galvanized steel, sheet in oil
Believe in a punch line in orders to improve
Live in a nation, a shallow formation
Technical adjustments in orders to improve365 days left to live
Modify design in orders to improveWelcome to this shallow nation
Join us for a narrow mind
As our eyes turns back and our mind turns black
Losing all self-controlI swear if I could only reach you
By my blood, I swear no good
I swear if I could only reach you
I'll show you compassion, compassion of a sacrificeWelcome to this shallow nation
Join us for a narrow mind
As our eyes turns back and our mind turns black
Losing all self controlWelcome to this shallow nation
Join us for a narrow mind
As our eyes turns back and our mind turns black
Losing all self controlWelcome to this shallow nation
Join us for a narrow mind
As our eyes turns back and our mind turns black
Losing all self control
