

Heart So Cold

Plies

Wonder why his heart cold, wonder why his heart cold, wonder why his heart so cold
Wonder why his heart cold, wonder why his heart cold, wonder why his heart so cold
Young nigga been through
everything, right there when the fed came
Ain't shit that he ain't seen, he do it but it's ...change
Fell out of niggas by his own change, slime ... same thang
He don't trust ...he ain't mane
He don't fuck with you if he know you green
Family too, them bitches scheme,
Dear ... with they cup clean, old... standing
Head first, by his own team
Fuck a bitch he do his own thang
They ain't realer, they fucking claim
Tired of niggas trying to sell him dreams
His heart cold, what the fuck you mean?
Wonder why his heart cold, wonder why his heart cold, wonder why his heart so cold
Wonder why his heart cold, wonder why his heart cold, wonder why his heart so cold
He ain't roll, he got trust
issues
Learned a lot from these fuck niggas
Good times they ball with you
Bad times they'll fuck with you
Independent, they don't know a nigga
Now he get it, you see the bigger picture
Tell them no and they'll straight dish ya
Ain't shit... he got big nuts but they made them bigger
Young nigga... last hoe was a gold digger...
Show love to that big son, . but he ain't stressed...
Wonder why his heart cold, wonder why his heart cold,
wonder why his heart so cold
Wonder why his heart cold, wonder why his heart cold, wonder why his heart so cold
He don't care cause he... loose lips they sank ships
Bitch niggas get long clips,
He ...that's on real, what he was...
And if they ain't concrete, it's on them
His attitude like soldier slim,
And you don't know where the fuck he been
All the people he trusted in, all the times he ...
Talk about... played close by his own friends
...Talk to god about his own sins
And his favorite...
Wonder why his heart cold, wonder why his heart cold, wonder why his heart so cold
Wonder why his heart cold, wonder why his heart cold, wonder why his heart so cold.
