

Baby, I Go Crazy

Josh Turner

Every time you shake your hips
Baby, I go crazy
When you kiss me on my lips
Baby, I go crazy When you call me on the phone
Your sexy talkin turns me on
You make it tough just holdin on
You got me goin crazy
Baby, I go crazy I see it comin and I cant help myself
You give me lovin like nobody else
You got me fallin, now Im callin for help
Girl, Im goin crazy When you put on that party dress
Baby, I go crazy
You got me hooked, I must confess
You got me goin crazy
Baby, I go crazy I see it comin and I cant help myself
You give me lovin like nobody else
You got me fallin, now Im callin for help
Girl, Im goin crazy
Baby, I go crazy I see it comin and I cant help myself
You give me lovin like nobody else
You got me fallin, now Im callin for help
Girl, Im goin crazy You really know how to drive me wild
Baby, I go crazy
Crawlin round just like a child
Baby, I go crazy
Darlin, I go crazy
Baby, I go crazy
