

# Somethin', Somethin'

Nick Nicholson

Yeah, back at cha once again  
Yeah, DOA got the track  
And my man, Smokie  
He got the word y'all  
Somethin', somethin'  
Somethin', somethin'  
Somethin', somethin'  
Somethin', somethin'  
Somethin' that makes me move  
Whenever I'm next to You  
Somethin' that makes me  
Wanna do the little dance I do  
When I call Your name  
You come through just the same  
Tryin' to understand  
There's somethin about that Man  
Can't put my finger on it  
Can't quite comprehend  
One thing I'm sure of  
On Him I can depend  
Somethin' about that Man  
Somethin' about that Man  
And how He holds the world  
All up in His hands  
I can't understand  
I can't understand  
It's just somethin' about that Man  
About that Man  
Somethin', somethin'  
Somethin', somethin'  
Somethin', somethin'  
Somethin', somethin'  
Wonderful, marvelous  
And awesome is Your name  
Jesus when You come around  
Men can't act the same  
Many have lied, many have tried  
But all of them eventually died  
Then You come along and show 'em

Your little somethin', somethin'  
Boast of Buddha, memorialize Mohamed  
Even confess Confucius  
But Jesus is still the name  
And there's somethin about that Man, yeah  
Somethin' about that Man  
Somethin' about that Man  
And how He holds the world  
All up in His hands  
I can't understand  
I can't understand  
It's just somethin' about that Man  
About that Man  
Somethin', somethin'  
Somethin', somethin'  
Somethin', somethin'  
Somethin', somethin'  
Somethin' about that Man  
Somethin' about that Man  
And how He holds the world  
All up in His hands  
I can't understand  
I can't understand  
It's just somethin' about that Man  
About that Man  
Somethin', somethin'  
Somethin', somethin'  
Somethin', somethin'  
Somethin', somethin'  
If anybody everybody feel the way I do  
Can y'all get your praise on  
If anybody everybody feel the way I do  
Can y'all get your praise on  
Everybody say  
Smokie gonna make you lose your mind  
Up in here, up in here  
Smokie gonna make you get your praise  
Up in here, up in here  
Somethin' about that Man  
Somethin' about that Man  
And how He holds the world  
All up in His hands  
I can't understand  
I can't understand  
It's just somethin' about that Man

About that Man  
Somethin', somethin'  
Somethin', somethin'  
Somethin', somethin'  
Somethin', somethin'  
Somethin' about that Man  
Somethin' about that Man  
And how He holds the world  
All up in His hands  
I can't understand  
I can't understand  
It's just somethin' about that Man  
About that Man  
Somethin', somethin'  
Somethin', somethin'  
Somethin', somethin'  
Somethin', somethin'  
Oh yeah, yeah
