

Good One

G-Eazy

Said i know (i got)
Said i know (i got)
i got me a good one x4
Whenever i need ya, your always there.
Your even there those times i didn't even know your there
And whenever i call, girl you answer
Damn girl your so good i think you could be the cure to cancer
Sometimes i cant believe that he sent you to me -oh-
I get this feeling i never had -my soul-
As sure as the sky holds the sun
Said i know i got me
I got me a good one
So baby whenever you need me
Dont hesitate to call

Cause im your friend
When you feel you got no friends at all
You can lay your head on my shoulder
You can tell me all about it
And when were done talkin
We can make love all around
Sometimes i cant believe that he sent you to me -oh-
I get this feeling i never had -my soul-
As sure as the sky holds the sun
Said i know i got me
i got me a good one
Said i know (i got)
Said i know (i got)
i got me a good one x8
