

# Reason For Me

Aarya Pranshu

Hey, Darling please don't go away  
I want you to stay here with me  
With me  
Hey, Darling please don't go away  
I want you in every way  
In every way  
Cause everything without you baby seems  
Nothing to my heart  
And you baby are the only reason that  
I'm not falling apart  
I'll be your moonlight  
When your night is dark  
And when lights go off  
I'd burn into sparks for you  
Oh Anything for you  
I'll be your moonlight  
When your night is dark  
And when lights go off  
I'd burn in to sparks for you  
Oh Anything for you  
Cause You are the reason  
For me  
You always do make me  
Believe  
True love's not a miracle  
Baby  
You are the Reason for me  
Cause You are the reason  
For me  
You always do make me  
Believe  
True love's not a miracle  
Baby  
You are the Reason for me  
Cause every time you come around  
I feel  
Something in my heart  
And this feeling's like nothing I've felt before  
It's something only you make me feel

I'll be your moonlight  
When your night is dark  
And when lights go off  
I'd burn in to sparks for you  
Oh Anything for you  
I'll be your moonlight  
When your night is dark  
And when lights go off  
I'd burn in to sparks for you  
Oh Anything for you
