

# Warp City (Gimp In the Box Mix)

## Ministry

She started drinking wine  
And then she couldn't stop  
She must be out of her head  
That's why she has to be shot That's Warp City I'll probably have to do time  
Because I lost control  
I'd rather drop on a dime  
Than spend my life in a hole That's Warp City I got a hole in my head  
Can't make the bleeding stop  
I think I'll go back to bed  
And wait around for the cops That's Warp City I shot my family dead  
Then turned the gun on me  
Did what the demon said  
He said he'd set me free That's Warp City
