## Chris Brown

[Chris Brown]  
You see what I'm sitting on  
The strip we sitting on  
These right in front of the club  
Shawty what you sippin` on  
You see me gettin` grown  
So baby just show me some love[T-Pain]  
Yeah I want a girl like you  
I can tell that youre looking for a dude like me  
When you smell what I'm cookin`  
Let me know if you wanna ride[Chris Brown]  
Cause I aint got nobody on my passenger sideBaby I'm just hitting on ya  
I wanna get to know ya  
I dont wanna waste your time  
And I'mma keep it real with ya  
I wanna deal with ya  
Even if its for one night[T-Pain]  
Baby I want a girl like you  
I can tell that youre looking for a dude like me  
When you smell what I'm cookin`[Chris Brown]  
I came to have some fun  
I'll be on the dancefloor whenever you done[T-Pain]  
Shawty you the one[Chorus]  
I got to get ya  
Got to get with ya  
I can do this [for a month or two girl]  
I got the plan  
The beach with the sand  
And you got the man [right in front of you girl]  
And you movin` to the left, movin` to the right  
You make me say wooh-oh [4x][Tpain]  
Now Shake ya body  
Shake it[6x]  
Shake ya body  
Shake it [5x]

Uh Oh

That we can hit the door  
Right into the Masserati

You got dem superthighs

Girl I got my city on lock  
If you`re messin` with me  
You gon` end up at top  
And it wont stop  
Baby tell me what you wanna see[T-Pain]  
Cause you aint never met a dude as freaky as me  
Girl I see dem hatin` on ya  
Just keep on skatin` on `em  
Now and later gaters on your feet  
I got what you waiting for  
Girl I'mma take you home and let you go crazy on me[Chris Brown]  
Girl I got my city on lock  
If you`re messin` with me  
You gon` end up on top[T-Pain]

I'll be outside in the car when you done[Chris Brown]  
Shorty you the one[Chorus]  
I got to get ya

And you got the man [right in front of you girl]  
And you movin` to the left, movin` to the right
