

Ready for Love

Olly Murs

There's a line, and it's hard to cross
scared to say the things that we both feel.
But all my life, I have been so lost,
running from every heart that's real. Now I wanna see the lights, I wanna see it all.
I'm ready for the rise even if we fall.
I don't wanna be alone, wanna wake and see the sun
Darling it has only just begun. And now sing it!
Shout it out, sing it loud, I got something to say.
You're the one that I want, and I'm screaming your name.
Can I kiss you? 'Cause the night is closing in.
Oh I, oh I, I'm ready for this.
I come alive, feel alive, when you walk my way.
There's a room in my heart, do you want to stay?
And I'll show you that you're all I'm thinking of.
Oh I, oh I, I'm ready for love. The doubts you have, make you insecure,
But I don't mind if you feel unsure.
I've heard you say, we've been here before,
but close your eyes and think of it no more. Do you wanna see the lights?
Do you wanna see it all?
Are you ready for the rise even if we fall?
I don't wanna be alone, wanna wake and see the sun
'Cause darling we have only just begun. And now sing it!
Shout it out, sing it loud, I got something to say.
You're the one that I want, and I'm screaming your name.
Can I kiss you? 'Cause the night is closing in.
Oh I, oh I, I'm ready for this.
I come alive, feel alive, when you walk my way.
There's a room in my heart, do you want to stay?
And I'll show you that you're all I'm thinking of.
Oh I, oh I, I'm ready for love. And I know what we've been through,
Hard times, we live and lose.
Take my hand and I will lead ya, to something new.
You & I will walk in time, there's no need to run and hide.
Take my hand and I will show you, my love is true. And I sing it.
I shout it out, sing it loud, I got something to say.
You're the one that I want, and I'm screaming your name.
Can I kiss you? 'Cause the night is closing in.
Oh I, oh I, I'm ready for this.
I come alive, feel alive, when you walk my way.

There's a room in my heart, do you want to stay?
And I'll show you that you're all I'm thinking of.
Oh I, oh I, I'm ready for love.
