Natalie

Ola

You really got me now
You get me out of my mind
I dream a little louder
I gotta know tonight
I'm gonna give all I got, while it's time
And you make me wanna shout it out
I gotta ask you right now

Do you feel like I feel, Natalie Natalie?
Do you feel like I feel, Natalie Natalie?
Natalie?

You crack me up inside
Feels like a merry-go-round
I fall a little harder
You spin my world around
It's getting out of control
And you make me wanna shout it out
I gotta ask you right now

Do you feel like I feel, Natalie Natalie?
Do you feel like I feel, Natalie Natalie?
Do you feel like I feel, Natalie Natalie?
Natalie?

Tonight we're gonna make it happen
I want you now, it's driving me crazy
So tell me now before it is too late
I gotta ask you right now, ooh

(Do you feel?)
Do you feel like I feel?

Whoa!

Do you feel like I feel, Natalie Natalie?
Do you feel like I feel, Natalie Natalie?

(Do you feel?)
Do you feel now, like I feel now, baby? Yeah

Do you feel me, like I feel you?
Natalie, Natalie?
