

# Frequency Dip

James

Frequency dip

Sediment layers

Frequency dip

Frequency dip

Frequency dip

Sink unit

Sediment layers

Different stations

Different courses

Different stations

Different courses

(it's no reward)

Multitude of voices

A multitude of voices

(it's no reward)

Sediment layers etc.

That's you and me, folks

Some kind of

Some kind of

False hair-do

Some kind of sink unit

Blind upon blind

Frequency dip

Blind upon blind

Frequency dip

Working in different mine shifts

Working in different minds
