

Rock The Joint

Reverend Horton Heat

We're gonna tear down the mailbox
Rip out the floor
Smash out the windows and knock down the door We're gonna rock (Rock!) rock this joint
We're gonna rock (Rock!) rock this joint
We're gonna rock (Rock!) rock this joint
We're gonna rock this joint tonight Well six times six is thirty six
But I ain't gonna hit but six more licks Do the ol' Paul Jones and Virginia Reel
Gotta let your feet know how you feel Do the sugar foot rag side by side
Flying low and flying wide Well six times six is thirty six
But I ain't gonna hit but six more licks
