

# Rises from Black

## Krisiun

Hell's bluster in your mind  
A boundless pain possesses you  
Eye gouged out  
Worms rises from your eyes  
Satan rips out your soul  
Satan ruler of your soul Abomination comes against you  
Your rottenness on crosses  
True suffer of death  
Look inside the demon eyes  
Black death leads your way  
Spreading death thru the empire Under the black  
Ride forever  
Immortality, rises from black Into the evil's domination  
Nothing remains in your corpse  
You'll be a ghoul  
Deep inside the hell's flame  
You'll be born from black
