Fix

Pedro the Lion

I'm feeling independent
I made it through another day, having a wonderful time
I haven't felt the sickness
I think I may have scared it away, looks like I'm gonna be fineFriend down on the corner says
It's gonna be alright
He's handing me a needle, he sells me a fix
He says I'll see you here tomorrowI'm feeling self-sufficient
It's nice to finally be in control, I'd have it no other way
I do it when I want to let the good times roll
Each and every dayMy friend down on the corner says
It's gonna be alright
He's handing me a needle, he sells me a fix
He says I'll see you here tomorrow
