# Peanut Butter & Jelly

## Brian Regan

I'm feeling sexy
I'm feeling
I'm feeling sexy
Saturday and I feel like letting it go
Sho 'nuff I got 'em all lined up in a row
Sunset come and I'm coming to
Now I see you rockin', baby, so I'm rocking with you
Ah, shout out, but I just ain't loud enough
I'm trying to touch ya, but I can't get close enough
Cross my legs, now I'm flirting with you
Got a jones in my bones that's jumping for you
Ohh, I know you like it, I'ma give to you
Hooked on the feeling that you putting me through
Taste you can't get enough
Sweetness, come get my love
It's like peanut butter and jelly
It's like peanut butter and jelly
It's like peanut butter and jelly
Stickin' to me, so sweet on me
It's like peanut butter and jelly
It's like peanut butter and jelly
It's like peanut butter and jelly
Rockin' with me, rockin' with you
So coolie while you rockin' this party, hottie
When you leavin', I think I'm leavin' with you
Let me know what you wanna do
Got my heart beatin' fast and it's beatin' for you
Ohh, you got the rhythm 'cuz you feelin' da beat
Tricks up your sleeve, just show 'em to me
And I know you want to
Show it to me, give it to me
All my ladies gotta work it like this
Gotta show 'em what you're workin' with
All my ladies gotta work it like this
Gotta show 'em what you're workin' with
It's like peanut butter and jelly
It's like peanut butter and jelly
