Leary's Gate

Ian Moore

I'll be waiting for you at Leary's Gate
Elevate your mind, your pain I'll take
I'll fill your head with medicine, I'll make you smile
And all your worries disappear just for a while, just for aI'll be waiting for you at Leary's Gate
Elevate your weary mind, your pain I'll take
Fill your head with medicine, I'll make you smile
And all your worries disappear just for a while, just for a whileI'll wash you down in scented water, love's perfume
A thousand candles dancing for you, melting you, melting youI'll make love to you my love, you'll feel no pain
Smile at colors floating through us, spinning 'roundAnd I'll be waiting for you
And I'll be waiting for you
And I'll be waiting for you
And I'll be waiting for you
And I'll be waiting for youI'll be waiting for you at Leary's Gate
At Leary's Gate
