

Pick Up

On

I'm on the line
Pick up
I need to hear your voice
What you're doing
Pick up
I want to talk you back to sleep We can work this out
Darling if you want to
I know we cannot touch
But we gotta try to Darling if you want to [Repeat 3X] I'm on the line
Pick up
I need to hear your voice again
What you're doing
Pick up
I want to talk you back to sleep In the daytime
Distraction's easy
In the evening
You're under my skin We can work this out
Darling if you want to
I know we cannot touch
But we gonna try to Darling if you want to (Repeat 4X) I know it hurts too much
But I'm gonna pull through
Just pick up
Darling if you want to
