

Don't Take Your Love Away From Me

Neil Young

There's just one thing I'm askin' of you
There's just one thing, baby, I'm askin' of you
 Don't ever leave me, baby
 No matter what you do
There's just one thing I'm askin' of you.Don't take your love away from me
 Don't take your love away from me
 'Cause if you ever leave me, baby
 How wrong you would be
Don't take your love away from me.When I make a promise, you can bet that it's true
 When I make a promise, baby, you can bet that it's true
 So put your chips down, baby
 Empty your pockets, too
'Cause when I make a promise, you can bet that it's true.Don't take your love away from me
 Don't take your love away from me
 'Cause if you ever leave me, baby
 How wrong you would be
Don't take your love away from me.
