Freedom Fighters

Delroy Washington

Today I heard what them people say
Then want to live free greedily, with everyone to pay
You play under the sun while others fight and dies away
But I say if you don't like it this way, then why stay? Go away
Freedom fighters
Ignite Jah
Freedom fighters
Shine Jah
(Live free, be free, die free)
Freedom fighters
(Live free, be free, die free)
Ignite Jah
(Live free, be free, die free)
Freedom fighters
(Live free, be free, die free)
Shine Jah
Today I heard what them people say
Them say, "The man came in and he took our choice away"
You portray selfishness and hate while some prepare to die today
I say you fade away, appreciate life and liberate
Freedom fighters
Ignite Jah
Freedom fighters
Shine Jah
(Live free, be free, die free)
Freedom fighters
(Live free, be free, die free)
Ignite Jah
(Live free, be free, die free)
Freedom fighters
(Live free, be free, die free)
Shine Jah
We have the right to live in peace
And you must fight for what you keep
If what you keep holds truth inside
Stand up, defend lay down and die
We have the right to live in peace
You must fight for what you keep
If what you keep holds truth inside

Stand up, defend, or lay down and die
Freedom fighters
Ignite Jah
Freedom fighters
Shine Jah
(Live free, be free, die free)
Freedom fighters
(Live free, be free, die free)
Ignite Jah
(Live free, be free, die free)
Freedom fighters
(Live free, be free, die free)
Shine Jah
Live free, be free
Jah say live free
Jah say die free
Live free, Jah say die free
Live free, Jah say be free
I and I, live free
I and I, die free
Stand up, defend or lay down and die
Stand up, defend or lay down and die
Stand up, defend or lay down and die
Stand up, defend or lay down and die
