

# My Heart Is the Worst Kind of Weapon

## Fall Out Boy

Spent most of last night dragging this lake  
For the corpses of all my past mistakes  
Sell me out, the jokes on you  
We are salt and you are the wound Empty another bottle and let me tear you to pieces  
This is me wishing you into the worst situations  
I'm the kind of kid that can't let anything go  
So you wouldn't know a good thing if it came up and slit your throat Your remorse hasn't fallen on deaf ears,  
rather ones that just don't care  
Because I know that you're in between arms somewhere  
Next to heartbeats where you shouldn't dare sleep  
Now I'll teach you a lesson for keeping secrets from me Take your taste back, peel back your skin  
And try to forget how it feels inside  
You should try saying no once in a while  
Oh, once in while Take your taste back, peel back your skin  
And try to forget how it feels inside  
You should try saying no once in a while  
Oh, once in while And did you hear the news?  
I could dissect you and gut you on this stage  
Not as eloquent as I may have imagined  
But it will get the job done, you're done Every line is plotted and designed  
To leave you standing on your bedroom window's ledge  
And everyone else that it hits, that it gets to  
Is nothing more than collateral damage Take your taste back, peel back your skin  
And try to forget how it feels inside  
You should try saying no once in a while  
Oh, once in while Take your taste back, peel back your skin  
And try to forget how it feels inside  
You should try saying no once in a while  
Oh, once in while
