Everyone Learns To Forget

Puggy

You waste no time
Telling me I ought to forget you
Then leave gracefully
Cause everyone learns to forget
Ooh...
You don't know me
Yet we've met here many times
Then leave quietly
And everyone learns to forget
Ooh...
Ooh...
A day longer than a year
As far as you're never near
Darker the skies appear
And it was like it is
And somehow you never knew
What was inside of you
You kept it inside of you
And it was like it is
A day longer than a year
More than we'll ever hear
The songs you will never hear
And it was like it is
And somehow you never knew
You built it inside of you
So I could believe in you
And it was like it is
A day longer than a year
You knew I was never here
You kept us inside my dear
And it was like it is
I don't think you wanna know [x4]
Oh oh oh
Like it is
Like it is
You don't wanna know
