

# Alive

## Joey Lauren Adams

I'm feeling nothing  
But all alone  
Just missing someone  
I don't even know  
But until I find them  
I'll wait patiently  
Just feeling nothing  
Inside of me And where are you baby  
Where can you be  
Why aren't you here  
Loving me  
'Cause I won't to kiss you  
And make you feel right  
I want to lay with you  
all through the night And I want to feel passion  
I want to feel pain  
I want to weep at the sound of your name  
Come make me laugh  
Come make me cry  
Just make me feel  
Alive And so I wait  
For that glorious day  
When the one I dream of  
Comes my way  
But until I find them  
I'll wait patiently  
Just feeling nothing  
Inside of me And where are you baby  
Where can you be  
Why aren't you here  
Loving me  
'Cause I want to kiss you  
and make you feel right  
I want to lay with you  
All through the night And I want to feel passion...
