

True Dat (Interlude)

OutKast

Operating under the crooked American system too long
Outkast, pronounced out cast
Adjective meaning homeless or unaccepted in society
But let's look deeper than that
Are you an OutKast?
If you understand and feel the basic principles and
Fundamental truths contained within this music
You probably are
If you think it's all about pimping hoes and slamming Cadillac doors
You probably a cracker
Or a nigga that think he a cracker
Or maybe just don't understand
An OutKast is someone who is not considered to be part of the normal world
He is looked at differently
He is not accepted because of his clothes, his hair
His occupation, his beliefs or his skin color
Now look at yourself
Are you an OutKast?
I know I am
As a matter of fact, fuck being anything else
It's only so much time left in this crazy world
Wake up niggas, and realize what's going on around you
Poisoning of the food and water
Tampering of cigarettes
Disease-engineering control over your life
Take back your existence or die like a punk
This is Big Rube, sayin' right on to the real, and death to the fakers
Peace out
