Nicky Wire

"The woods are lovely, dark and deep but I have promises to keep and miles to go before I sleep and miles to go before I sleep"

If someone could hold you now
If fate could play a different hand
All if all the broken hearts
Could be fixed not torn apart

Watching shadows on the wall
Some questions are impossible
And does God make a fool of us all
Watch the skies as sadness falls

Bits of me don't exist anymore
I can't replace what's been and gone
Cars and bits of silhuettes
Buy some time and learn to dance

Time comes too soon for you
Memories left to date and bruise
No control we're all at sea
In a world that's dissappeared

Broken scremas can kill you dreams
I wish I knew more about your fears
And if I could your eyes I would kiss
And fill up your time with laziness

Lets declare an amnesty
Ambitions dead for all to sea
Shake your fists we've grown too fast
Help me love and hold me close
Twist and turn so wonderful
Break your bones I'm coming home

If someone could hold you now
If someone could hold you now
Hold you now
