Until The Sunrise

Timeflies

It?s getting late but I?m not tired
There?s no place I?d rather be
The night is young I feel inspired
I guess we?ll have to wait and see
This night is perfect so don?t let it end
Let?s make it worth it ?cause I got a feelin' that
When this is over we?ll do it again
So if you feel it stand up, you could put your hands up
Lets stay up until the sunrise
We can dance the night away
It could be like this forever
Until tomorrow is today
It?s getting loud we?re moving faster
Like the beating of your heart
This could be a sweet disaster
Run with me into the dark, yeah
This night is perfect so don?t let it end
Let?s make it worth it ?cause I got a feelin' that
When this is over we?ll do it again
So if you feel it stand up, you could put your hands up
There?s no need for time, ?cause with you it?s standing still

Only to make me feel like I do now
?Cause we could have it all, till nothing is left to give
Like this is our last chance
?Cause that?s the only way I live
Is like tomorrow?s the end and today's the day so you can save the date
And you can live it how you wanna live it
But you?re gonna be givin' a whole lot of time just chasin' fate
Everything?s gon' be aright, so there?s no need to fear
I?ma take you from the dark to the light so tonight we gonna live like we the last ones here
Climbed myself from the bottom of the stars to the moon to the clouds now its back to earth
And I?m sayin' what I found on the way down when I touched ground is pain don?t have to hurt
So baby you could let it go, ?cause girl we?re free to run
So we should live tonight and dance until we see the sun
This night is perfect, we?ll do it again, if you feel it stand up, you could put your hands up
This night is perfect so don?t let it end
Let?s make it worth it cause I got a feelin' that
When this is over we?ll do it again

So if you feel it stand up, you could put your hands up
The whole world?ll say
Me and you we?re gonna stay up until the sunrise
Baby let me hear you say
