

# Stardust

Mika

I could be staring at somebody new  
But stuck in my head is a picture of you  
You are the thunder, I was the rain  
I wanna know if I'll see you again  
I said I love you, you said goodbye  
Everything changes in the blink of an eye  
It's been a while, I still carry the flame  
I wanna know if I'll see you again  
See you again, see you again  
Want you to know, what you mean to me  
What will it take, take you to see? I could a little stardust in your eyes  
Put a little sunshine in your life  
Give me a little heart and feel the same  
And I wanna know if I'll see you again  
See you again I've seen that before, cause you're not even there  
I'm writing this song and you don't even care  
Throw me a lifeline and open my door  
And pick up my heart that you left on the floor  
On the floor, on the floor  
Want you to know, what you mean to me  
What will it take, take you to see? I could a little stardust in your eyes  
Put a little sunshine in your life  
Give me a little heart and feel the same  
And I wanna know if I'll see you again  
See you again  
Call me all the time is rushing by  
And all the little things we leave behind  
But even that do, is a little bit of me, a little bit of you  
When will I see you again?  
When will I see you again?  
When will I see you again?  
When will I see you again?
