

# Frankenstein

## Willoughby

Out on a limb  
itâ€™s not any colder  
Then it is in the man with my heart  
Every time  
you cry on my shoulder  
Itâ€™s colder than the man with my heart

Chorus1x: Maybe thereâ€™s ways to figure out what Iâ€™m doinâ€™  
what Iâ€™m doinâ€™ is easy enough  
and maybe thereâ€™s ways to figure I can be true  
than Iâ€™m losing my love to you

Tonight on the town (?)  
And over a boulder  
older than the man with my heart  
Hats off to him  
my cursed run is over  
the curse on the man with my heart

Chorus1x  
Musical Pause  
Chorus 1x
