Hot Blooded

D'Mixmasters

Well, I'm hot blooded, check it and see
Got a fever of a hundred and three
Come on baby, do you do more than dance?
I'm hot blooded, hot bloodedYou don't have to read my mind, to know what I have in mind
Honey, you oughta know, yeah you oughta know
Now you move so fine, let me lay it on the line
I just wanna know what you're doin' after the showWell it's up to you, we can make a secret rendezvous
Me and you, I'll show you lovin' like you never knewHot blooded, check it and see
Got a fever of a hundred and three
Come on baby, do you do more than dance?
Hot blooded, hot bloodedIf it feels alright, maybe you can stay all night
Can I leave you my key?
Give me a sign, anything, some kind of sign
Tell me, are you hot for it, mama? You sure look that way to meAre you old enough? Will you be ready when I call you bluff?
Is my timing right? Did you save your love for me tonight?Hot blooded, check it and see
Got a fever of a hundred and three
