

Home Is Where It Hurts (Remixed By Steve Moore)

Camille

My home has no door
My home has no roof
My home has no windows
It ain't water proof
My home has no handles
My home has no keys
If you're here to rob me
There's nothing to steal A la maison
Dans ma maison
C'est là que j'ai peur Home is not a harbour
Home home home
Is where it hurts
My home has no heart
My home has no veins
If you try to break in
It bleeds with no stains
My brain has no corridors
My walls have no skin
You can lose your life here
