

In My Head

Dum Dum Girls

What is mine when you leave
(empty bed, empty bed)
All the memories I can retrieve
(from my head, from my head)I can't live without your warmth
I just wanna be adored
Oh, I'd do anything to bring you home
tonightOh don't you tell me
I am your baby
Over the phone
It don't feel right
Come home and kiss me
Tell me you miss me
Tell me it right
Tell me it rightAnother year has passed us by
(I'm all alone, all alone)
Crazy how the time does fly
(when you're on your own, on your own)
But now it's not only you
I am always leaving too
Oh, I'd do anything to bring you here
tonightOh don't you tell me
I am your baby
Over the phone
It don't feel right
Come home and kiss me
Tell me you miss me
Tell me it right
Tell me it rightDon't bother asking how my day was
Every day drags the same just because
Without you, I can't get out of my bed
I'd rather visit you in my headWhat is mine when you leave
(empty bed, empty bed)
All the memories I can retrieve
(from my head, from my head)I can't live without your warmth
I just wanna be adored
Oh, I'd do anything to bring you home
tonightOh don't you tell me
I am your baby
Over the phone

It don't feel right
Come home and kiss me
Tell me you miss me
Tell me it right
Tell me it right Don't bother asking how my day was
Every day drags the same just because
Without you, I can't get out of my bed
I'd rather visit you in my head
In my head - in my head - in my head
